

Dear Friends,

I'm certain that many of you will be aware that 9 French Erasmus students have just completed their two week placements in our town centre businesses.

Another very successful experience for all concerned and involved in our second year. Many thanks to all the generous businesses in the town centre who supported the Les Herbiers students by providing excellent work placements.

Our next event is our Annual Twinning dinner held this year at The Waggon and Horses Newtown. **Please see attached our Annual Dinner menu, kindly provided by Neil at The Waggon and Horses Garden View Restaurant.**

Please note that this is a French theme set menu with a provision for Vegetarian (V), Gluten Free (GF), and Dairy Free (DF). These special dietary choices on the menu are only provided in limited numbers for our Vegetarian, Celiac and Vegan friends.

The set menu provided includes Soufflé, Lamb and triple dessert. GF Jus can be provided on request with the Lamb main course.

The Restaurant has a capacity of 40 so we would ask you to book early on a first come first served basis. To make a booking please email:

newtowntwinning@gmail.com

with your meal choices, full name and tel. number.

Please be aware that when we receive your booking request you will be contacted and advised regarding your payment.

Stuart Owen Managing Director at Advance Building Designs Ltd., Chair of Open Newtown and member of Newtown community steering group / Newtown Unlimited will be our guest speaker for the evening and will be talking about the Open Newtown Project of which Newtown Twinning Association is a community member.

Please book early to ensure your place!

I am sharing our forthcoming events taking us into 2020 in a bullet point form as follows!

The full details of these forthcoming events are yet to be finalised although dates are fixed. When finalised they will appear on our website and in future newsletters.

For details of all our previous events and initiatives please visit our website at:
